The primary suite stands as a statement in design, defined by a custom steel-and-glass wall that infuses the space with modern character and visual texture. A fully built-out walk-in closet organization system adds both function and luxury, while the ensuite bath continues the home's minimalist refinement with spa-like finishes. The secondary bedroom and adjacent full bath provide flexibility for guests, a home office, or creative studio use—each space maintaining the residence's signature aesthetic.

Residents of The Meridian enjoy access to a rooftop pool, spa, and entertainment terrace with sweeping city views—an ideal setting for morning coffee or sunset gatherings. This home includes an oversized tandem parking space with ample room for two vehicles plus additional bike or gear storage, along with a dedicated electric vehicle charging station for effortless convenience.
